Education

Heritage Institute Of Technology

B.Tech in Computer Science Engineering(Data Science) CGPA-8.01

Kolkata, West Bengal

September, 2022 – Present

Experience

HeadStarterAI

Software Engineering Fellow

July 2024 – August 2024

Remote

- Worked as a **SWE Fellow** in **Track-B** (Final project that takes a startup's current backlog and builds it meeting business requirements.) with my Team.

Projects

CodeXpert / ReactJs, Tailwind CSS, JavaScript, Flask, SQLite, Recharts, Python, GoogleAuth

April 2025

- Built a **full-stack** intelligent programming lab platform for educators to assign **AI-generated** coding problems and track student performance in real time. [Repository](#) | [Demo](#)
- Engineered **backend services** with Flask and SQLite database, supporting secure **user authentication** via **Google OAuth**.
- Developed a **responsive frontend** using ReactJS and Tailwind CSS; implemented data visualization with Recharts.

JobQuest / ReactJs, Vite, Tailwind CSS, Shadcn/UI, Supabase, Clerk, Zod

January 2025

- Developed a **full-stack** job portal that streamlines the job search and hiring process, enabling seamless recruiter-candidate interactions. [Repository](#) | [Live](#)
- Implemented secure **authentication and user management** using **Clerk**, with **Zod** ensuring robust **form validation** and data integrity.
- Utilized **Supabase** for real-time **database management**, and application tracking.
- Designed a sleek, **responsive UI** with **Shadcn/UI**, improving user experience across devices.

IndustryXpert / Bootstrap, HTML, CSS, Javascript, Flask, Sqlite, Python

April 2024

- Industry Xpert is an AI based cutting-edge web application aimed at revolutionizing safety protocols within industrial environments. [Repository](#) | [Demo](#)
- I have developed the **entire Front-end** of this project for user friendly interface.
- Also I handled major **Backend Portions(50-55%)** like **Authentication, integration** and **database management** using SQLAlchemy and increased the project productivity by **2x**.
